

Simple Steps to Join Derry Church's Zoom Communion

1. Have your communion elements ready before the service begins (crackers, bread, juice, wine, etc.)
2. Watch the live stream worship as usual on the platform of your choice: derrypres.org, [YouTube](https://www.youtube.com) or [Facebook](https://www.facebook.com).
3. Communion happens following the sermon. The pastor will break the bread and pour the juice. As the communion servers come forward, it's time to shift to Zoom communion. Have these directions readily accessible on your computer or mobile device.
